Milestone Courses

Based on prior students' experience, students who do well in these courses are more likely to graduate on time in this program.

All courses marked are critical courses where a grade of C (77%) or higher is required to successfully complete the paramedic technical certificate and to be eligible to progress to the next level in this program.

General Advising Notes

This is a 12 month Special Admissions Paramedic Training Program. Paramedic core courses within each semester are co-reqs. Paramedic core courses must be completed sequentially.

Students must be licensed in the State of TN as an EMT Advanced to be considered for admission. Deadline to apply is July 1st (June 1st preferred.) Testing and an interview process are required for selection.

ENGL1010 and ENGL 0810
ACAD 1100 and READ 0810
MATH 0530 and MATH 1530

Helpful Hints

15 to FINISH

Take 15 credit hours a semester to finish your degree in two years.

General education classes to complete the degree may be taken prior to or after the core paramedic courses. Note that BIOL 1010 is a prereq for BIOL 1020. Also, Anatomy and Physiology I and II are preferred for medical professionals and may be substituted.
